A Bittersweet Farewell....

It is with mixed emotions that we bid farewell to Dr. Blacketer, Dr. Hernandez and Lydia Grant, FNP, PA-C. We are sad to lose these providers but understand life has taken them in a different direction. We collectively wish them the very best on their journeys. On a brighter note, LMG is excited to announce the addition of a Board Certified physician as a new member of its team.

Dr. Lance Gault, DO is a graduate of Western University of Health and Sciences, College of Osteopathic Medicine of the Pacific and completed his residency at Doctors Medical Center in Modesto, California. We are very excited he chose LMG. Next month we will feature Myriam Castaneda, PA-C as a new addition to LMG's Health Care Provider team.

Special Donor Recognition

Thank you to Mrs. Marion Young for your generous contribution to Livingston Medical Group in honor of your late husband. We appreciate your support!
